From Your Pastor's Desk

This is the last time I will be writing a letter to you as your pastor. After five years it is a strange feeling to sit down to write knowing it is the final time. What should I say? A flood of things come to mind. It has been a privilege to serve as your pastor. You are a great church and a wonderful people. I love you and will miss you. I will pray for you to continue to grow in faith, spiritual life, and service. You have some wonderful things in the process of development. I will pray for them to bear fruit. First St. John has a tremendous influence for Christ in the city of Hamilton as you share His love, a stronger influence than you sometimes think.

I want to thank each of you for your love, prayers and support. We have gone through some very difficult days together. We have also celebrated many wonderful occasions. I will always have special memories of First St. John UCC.

I look forward to maintaining our friendship. I will always be glad to hear from you. I am embarking on a new phase in my ministry. I have accepted the position of interim minister at Phillipus UCC in Cincinnati. Please keep me in your prayers. I am sure I will see many of you at future Sonka events.

Sincerely,

Sam

Meeting for the Future of First St. John

There will be a meeting following worship on January 15 for those interested in discussing the future options of the church.

EVERYONE has an opinion. Please attend if you are able.

Worship Team News

The New Year brings more changes for First St. John with Pastor Sam's resignation as of December 31st. After his announcement at the annual Congregational Meeting a motion was made to form a committee to evaluate the future of First St. John. The committee met with Ruth Brandon (Association Minister) in December. She gave us information to look over and many things to think and pray about. Their next meeting will be held January 15, 2012 after church. Anyone interest may attend.

We will be having guest worship leaders until a decision is made on the direction in which God wants us to follow.

Thanks to all that donated cookies and delivered 'Goodie Bags' to the shut-ins. We have received many calls of appreciation.

Dates to remember:

1st Sunday of month is Communion

4th Sunday of month is Casual Service

February 22, 2012 – Ash Wednesday

I wanted to let you know how we had decided to spend the balance of the gift you had given us this year for the kids. Since we receive more than enough for Christmas, we have decided to use the rest - over \$500 - for the next Operation Serve in 2012. Had we decided to use it for Christmas, we would definitely have invited everyone to participate so they could enjoy watching how the kids receive it. It is a blast and will be happening tomorrow.

Pastor, please remind your congregation again of our desire to fellowship with them and include them in what we do. I know we've told you this before but it bears repeating - Power Source and First St John's are a team and your generosity helps us to reach this community for Christ.

We love you and pray blessings continually on St John's. Together, in 2012 and beyond, we'll work until Jesus comes.

Have a blessed Christmas and we'll see you in the new year.

Dear Friends

I have no words to express what it meant to us to receive greetings from First St. John. A real shot in the arm! We miss many things in Hamilton-Fairfield, but the only thing I actually cried over was leaving our church family. We attend a Methodist church. The UCC is totally unknown here. A bunch of health problems has convinced us we did the right thing at the right time in moving nearer our daughters. We see Barb once a week and Ginny comes from Pa. monthly. In times of real stress they are HERE. We are OK – not fine, not really good, but OK. Condo living is great for us. Jim no longer drives, but I wheel us around in the third 'our last new car'. We are 87. Maybe I can set a record for the 'last new cars'. We don't eat regular meals, just sort of graze and whisk things from freezer to microwave. Our car is recognized at most of the drive-thru windows in town. Whatever it takes... Jim's 2 hip surgeries (same hip) were really traumatic for him mentally and he no longer is the person you all knew. But, he knows me and we are making it. We really enjoy receiving The Echo each issue. I read it to him and talk about each name he used to know. Our best wishes to each of you and thank you, thank you, thank you for thinking of us.
